

Geothermal

Farm Energy Workshops

April 4, 2019

5:30 PM to 7:30 PM

Greenvale Vineyards

582 Wapping Road
Portsmouth, RI 02871

April 25, 2019

5:30 PM to 7:30 PM

Exeter Public Library

773 Ten Rod Road
Exeter, RI 02822

The RI Farm Energy Program will host two **GEOTHERMAL Farm Energy Workshops** in April 2019 for anyone wanting to learn about this energy saving technology. Geothermal professionals will present and be available for farmer's questions.

Geothermal Systems, also known as Ground Source Heat Pumps, take advantage of the stable and moderate ground temperatures found below the frost line to boost efficiency and reduce costs of heating and cooling systems.

Information about funding opportunities and incentives will be available.
