About Rural Development – *“USDA-Rural Development (USDA-RD) is committed to helping improve the economy and quality of life in rural America and through their programs, they touch rural America in many ways.”*

ENERGY PROGRAMS

Rural Energy for America Program (REAP) REAP Grants provide assistance to those who are eligible with Renewable Energy and Energy Efficiency projects.

REAP is also referred to as Section 9007 of the 2008 Farm Bill Title IX and was reauthorized by the 2014 Farm Bill. It is a program of USDA Rural Development and is designed to assist agricultural producers and rural small businesses to complete a variety of energy projects:

- **[Energy Efficiency Improvements](#)**
 - **[Energy Audits](#)**
 - **[Renewable Energy Systems](#)**
 - **[Loan Guarantees](#)**
